DETERMINATION

RFP No. ADOC11-00001557/ADC No. 120094DC

1. The Arizona Procurement Code (A.R.S. §41-2534 and A.A.C.R2-7-325) Competitive Sealed Proposals: ".... the director determines in writing that the use of competitive sealed bidding is either not practicable or not advantageous to this state, a contract may be entered into by competitive sealed proposals."
2. A Request for Proposal is in the best interest of the State due to the following:

Due to the nature of the services of this solicitation, Food Services Management for All Institutions, it is apparent that it will be necessary to conduct discussions with the offerors concerning terms, conditions, technical and the price aspects of their proposals. It is neither practicable nor advantageous to the Department to try and use the sealed bid process.
